DEDICATION

MRS. AMELIA HUNT

We lovingly dedicate the 1958-59 Tom Tom to Mrs. Amelia Hunt. We love her for her fairness and impartiality, for her sincere interest in our progress, and for her roguish wink that tells us she has a sense of humor too. To her goes our gratitude for the time and effort she has spent in helping us.

ADMINISTRATION

"Stand on your own two feet" is a frequently heard admonition.

While all civilized men follow in the footsteps of those who have gone before, any growing civilization must have some members who are willing and able to venture beyond the lessons of the past.

At the same time, responsible members of the society, in asserting independence and exercising freedom, are careful to respect and cherish the responsible freedom of others. Freedom of action must always be bounded by sufficient knowledge to estimate results and possible consequences.

As this yearbook reviews the school activities of the year and salutes the graduating senior class, let us all review our own progress toward better understanding and practice of mature adult citizenship in our community and nation.

May the contributions of the Class of 1959 be significant and enduring in many fields.

DR. WM. GUSTAFSON
Principal

GERRY TILLERY
School Secretary

Vice-Principal
MR. JOSEPH O'LEARY

During the four years our graduating class has been in high school the world has seen developments and improvements in atomic energy, rocketry, satellites, government, literature, history, and medicine. Education involves the ability to change and adapt. The success of our graduates to be depends upon how thoroughly they understand the present and what the future will hold and I sincerely hope it holds happiness, peace and prosperity.

The Council makes regulations for the government of the student body, the sale of tickets to student activities, the issuance of complimentary tickets, and the expenditure of funds of the student body.

The council also prepares a budget to plan the expenditures and revenues in advance and assure a continuing activity program.

ALMA MATER

Orestimba favors only
the purple and the gold,
While those of other high schools
Their colors dear may hold.
We will stand by our own high school
Mid scenes we love so well
As we win our many victories
And our sportsmanship uphold
Then we will be remembered
As the purple and the gold.

FOOTBALL

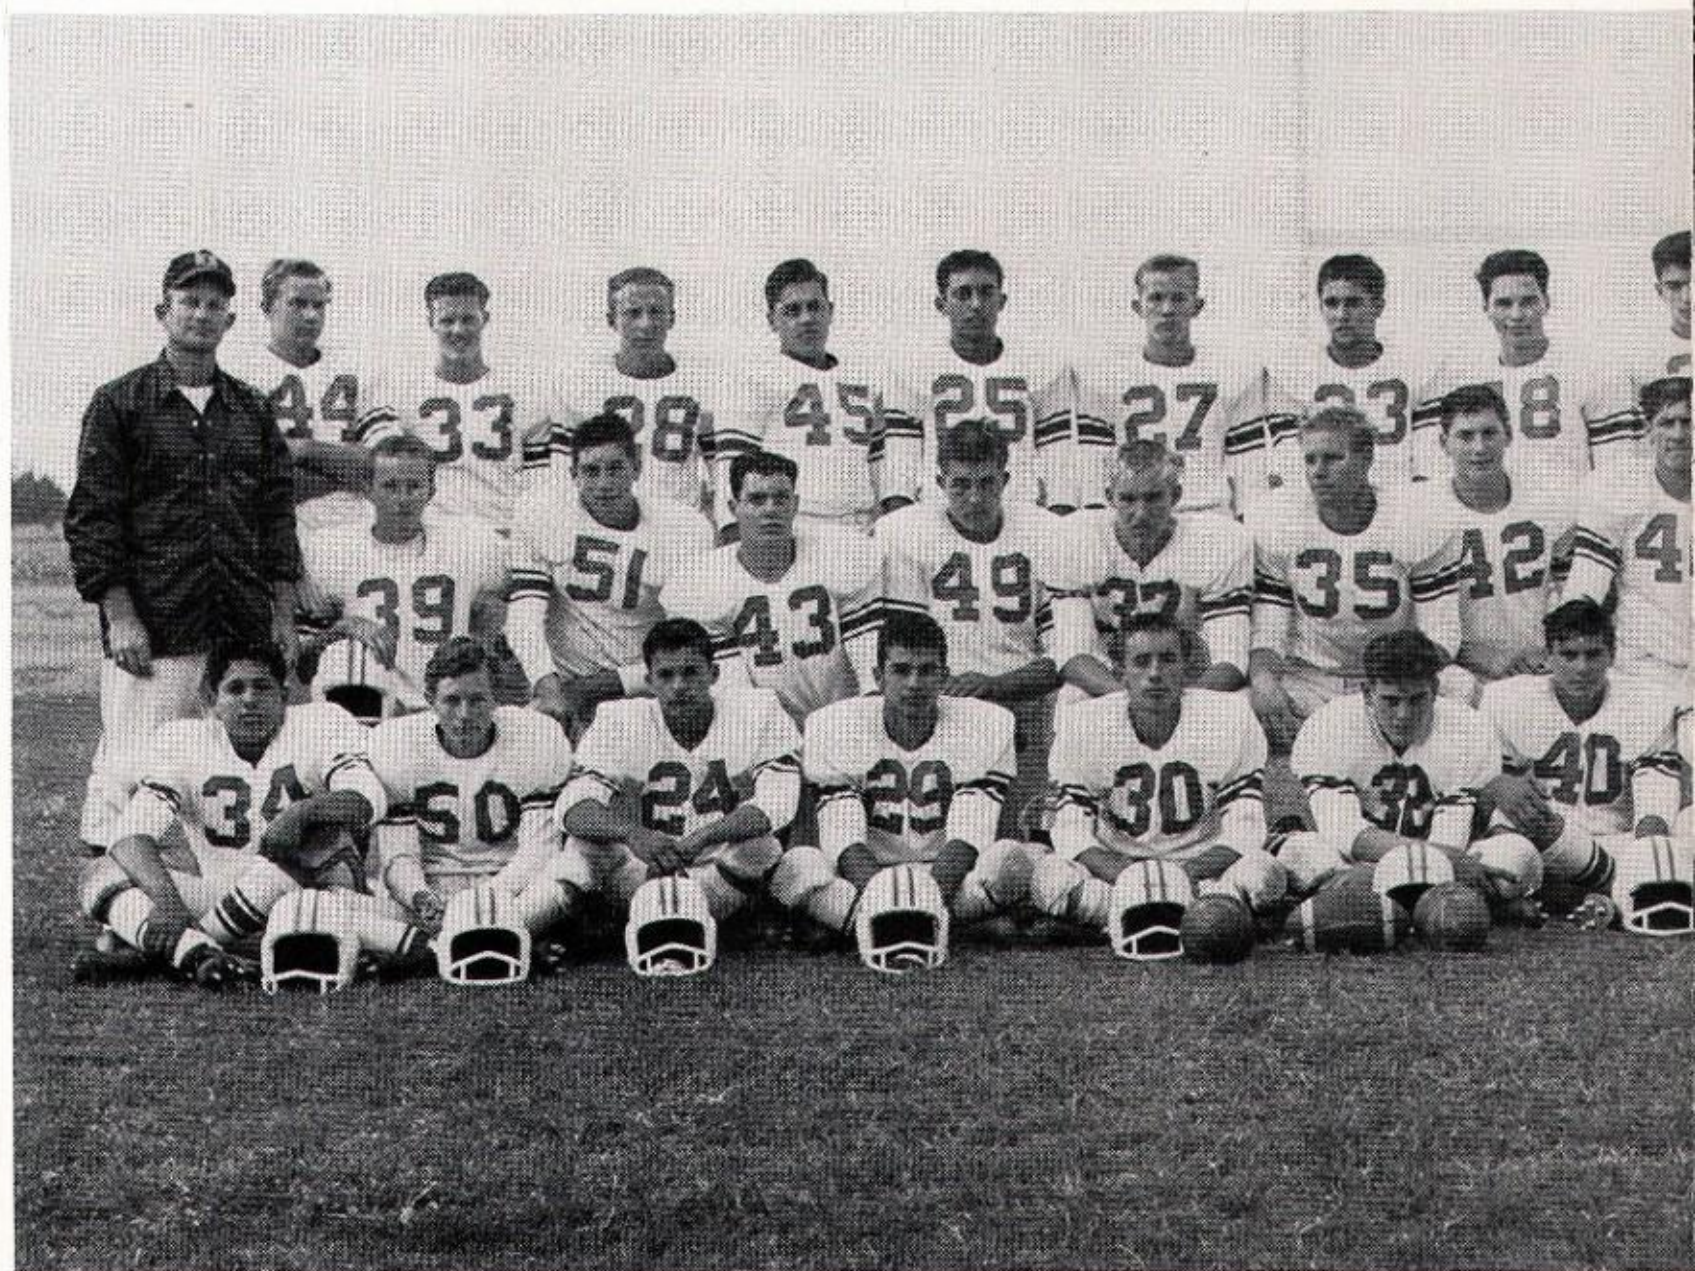

Dig, Dig, Dig, were the words you would have heard at the first of the 1958 season. The man yelling them was head coach Kenneth Brink, and the Warriors did dig. They became the fourth toughest defensive team in central California. Plagued by a light and inexperienced backfield the offensive team out-scored their opponents 107 to 57.

One of the hair raising climaxes was sophomore Bill Nunes's 59 yard scamper in the Denair game. Defensive stand outs were big, rough, and well coordinated Henry Robledo, and hard working sophomore Gene Sequeira.

Although close but not a championship team, having had stiff competition the Warriors fought hard and had good spirit losing only 2 close games, tying three heartbreakers and winning three.

Named on the all-league first team were tackle Henry Robledo, guard Gene Sequeira, and team captain, quarterback Bob Mattos. Outstanding lineman and back were Robledo and Mattos.

The Warriors can look forward to a good season next year not being hit too hard by graduation. The team only lacks five senior starters. With a little spirit, drive, and the will to win the Warriors could go all the way.
